The following Bill was introduced in the Rajya Sabha on the 11th March, 1987:—

BILL NO. VIII OF 1987

A Bill further to amend the All-India Institute of Medical Sciences Act, 1956 and the Post-Graduate Institute of Medical Education and Research, Chandigarh, Act, 1966.

BE it enacted by Parliament in the Thirty-eighth Year of the Republic of India as follows:—

1. This Act may be called the All-India Institute of Medical Sciences and the Post-Graduate Institute of Medical Education and Research, Chandigarh (Amendment) Act, 1987. Short title.

2. In section 14 of the All-India Institute of Medical Sciences Act, 1956, clause (*m*) shall be re-lettered as clause (o) thereof, and before clause (o) as so re-lettered, the following clauses shall be inserted, namely:— Amendment of Act 25 of 1956.

"(*m*) construct quarters for its staff and allot such quarters to the staff in accordance with such regulations as may be made in this behalf;

(*n*) borrow money, with the prior approval of the Central Government, on the security of the property of the Institute;".

Amendment of Act 51 of 1966.

3. In section 13 of the Post-Graduate Institute of Medical Education and Research, Chandigarh, Act, 1966, clause (*m*) shall be re-lettered as clause (*o*) thereof, and before clause (*o*) as so re-lettered, the following clauses shall be inserted, namely:—

"(*m*) construct quarters for its staff and allot such quarters to the staff in accordance with such regulations as may be made in this behalf;

(*n*) borrow money, with the prior approval of the Central Government, on the security of the property of the Institute;".

STATEMENT OF OBJECTS AND REASONS

The All-India Institute of Medical Sciences, New Delhi and the Post-Graduate Institute of Medical Education and Research, Chandigarh are statutory autonomous bodies wholly financed by the Government of India. Both the Institutes are expected to provide accommodation to their staff either within or outside the Institute's complex. However, it has not been possible to achieve maximum possible satisfaction in the matter of allotment of quarters to the staff due to the over all financial constraints of the Government. It has, therefore, been decided to empower both the Institutes to borrow money, with the previous approval of the Central Government, on the security of the property of the Institutes. A clarificatory amendment has also been proposed to enable the construction of staff quarters and allot them in accordance with the regulations to be made by the Institutes.

2. The Bill seeks to achieve the above objects by amending the relevant provisions of the Acts establishing the Institutes.
